

Annual Administrative Fee

At Saugatuck Pediatrics, we are committed to delivering the highest quality of care to our patients. Many of the services we provide unfortunately are not covered or paid for by insurance, and the rising administrative costs of running a primary care practice have escalated enormously. Our fee allows us to continue to remain in-network with insurances, while keeping our patient panel small in size, and our care personalized and timely. Our fee includes services that may be non-covered or non-reimbursed by your insurance company and are typically billed for at other medical offices.

Our Annual Administrative Fee will renew yearly on January 1. *This does not apply to HUSKY patients.

There will be no fee until 2024.

Effective January 1st, 2024 the annual costs for the Saugatuck Pediatrics Annual Administrative Fee are:

- **Newborns-age 4:** \$325
- **5 years- 17 years :** \$275
- **Age 18+:** \$225
- **Family cap of \$850**

For new patients joining us mid-year, we offer adjusted (half) pricing after June 30th.
